## Navarro & Bommentre Win!

The Steel Ice Center in Bethlehem, PA was the site of Kim and Brent's first USFSA qualifying competition. And boy did the Navarro-Bommentre ice dance team do themselves proud by winning all three categories within the Senior Dance Event at the US Easterns Competition.

Taking the ice on November 16th Kim and Brent skated the Yankee Polka, an International compulsory dance. The same day, they performed their Latin Original Dance. Friday, November 17<sup>th</sup> saw the dynamic team compete in the final category of the Senior Dance event with their free dance. Their final score was nearly 16 points above the second place team.

Looking back at the event, both Kim and Brent were happy with how they skated. They see the competition as a stepping stone in polishing their performance techniques as a Senior US dance team.

## Franklin Towne Charter HS Fundraises

What began as a project in the Emerging Leaders class to promote school spirit and raise money developed into a fundraiser to support Kim and Brent. Those popular rubber bracelets that everyone loves were imprinted with the school name on a royal blue band. The profits from the sale of the bracelets will be donated to Kim and Brent to defray training expenses.

Kim and Brent met with the class on December 8th and discussed the importance of planning, setting goals, and most all loving what you do. Although the only ice was outside school on the ground, they demonstrated a lift for the students, right in the classroom.

Kim and Brent expressed how proud they were of this new group of supporters, and discussed the possibility of a fieldtrip after Nationals to watch a practice.

## List of Upcoming Events

Kim and Brent will be participating in the following events over the next few months.

December 9, 2005 – Holiday on the Hudson, New York, NY

December 10, 2005 - University of Delaware Nationals Send Off, Newark, DE

January 8 – 15, 2006 - 2006 State Farm U.S. Figure Skating Championships, St. Louis, MO

March 10 & 11, 2006 – Wissahickon FSC 50th Anniversary Gala, Philadelphia, PA

## Spirit of Champions

On August 21 the Santa Rosa Figure Skating Club sponsored *Spirit of Champions*, a skating exhibition at Snoopy's Home Ice. The event was headlined by Kim and Brent and included skaters who have brought special recognition to the club. The exhibition was followed by an outdoor reception, raffle drawing, and silent auction. Funds raised are helping offset the team's training expenses this season.

Kim and Brent extend their heartfelt thanks to the organizing committee, the SRFSC members, the volunteers, the participating skaters, the production team, Snoopy's Home Ice, the professional coaching staff, the raffle and silent auction donors, and all those who participated in making this a memorable and successful event.

## “Showing-Off” the Real Deal

On November 6, Kim and Brent performed their Latin Original Dance at the University of Delaware's *Skates for Katrina*. The event included members of the US and World Figure Skating teams and benefited the American Red Cross of the Delaware Peninsula.

Flying to the west coast, just days after their first place finish at Easterns, Kim and Brent spent their Thanksgiving Holiday at Snoopy's Home Ice for the annual Tree Lighting Ceremony where they performed a Christmas exhibition routine. Showing their usual warmth and vitality both on and off the ice, Kim and Brent were well received by fellow participants and spectators alike.
