

## ***Technical Notification 231***

**Dated: June 27, 2019**

**Re: Tea-Time Foxtrot – Number of Patterns**

For the 2019-20 season, and until further notice, the Tea-Time Foxtrot will require one sequence in test and competition for partnered and solo pattern dance tests and events.

MUSIC RHYTHM: Slow-Fox 4/4  
TEMPO: 27 four-beat measures per minute; 108 beats per minute

ISU MUSIC  
INTRODUCTION: 32 beats, 17.8 seconds

PATTERN-TIMING: 1 = :58

DURATION: Test 1 = :58  
Competition 1 = :58  
Adult Competition 1 = :58

SKATER'S  
CHOICE TIMING: See Skater's Choice Pattern Dance Timing Chart on [usfigureskating.org](http://usfigureskating.org) under the "Technical Info" link

PATTERN: Optional

TEST: International

The Tea-Time Foxtrot starts with a RFI three-turn and ends with a RBI edge with step 56. At this time, the creators and the ISU have not created a step to allow the dance to be repeatable. Having skaters test or compete the dance as one pattern allows us to maintain the original integrity of the dance.
