Re: Partnered Free Dance Tests – Minimum scores needed to achieve test credit for IJS Protocol in nonqualifying competitions, for partnered free dance tests.

Implementation Date: July 15, 2019

In accordance with Rules 4101 and 4200-4202, in order to be eligible to apply for test credit through an IJS protocol, candidates must meet the applicable minimum scores listed in this technical notification at a U.S. Figure Skating sanctioned nonqualifying competition event at the level they are wishing to pass (i.e. to pass the senior free dance test, one must earn the applicable minimum scores in a senior free dance event). This credit is available only for partnered (not solo) free dance tests.

The candidate must meet **all three minimum scores** for the level they wish to pass, **in addition to having each element receive a score of > 0 total points**. (A disqualifying "0 value" element will be noted on the protocol with the symbol " - - - " in lieu of a GOE or points awarded.)
